As we continue our study, Dust to Dominion, we will begin looking into the life of the man who, most likely, was the first to call out "All Aboard!" We will observe the mighty works God did on his behalf. We will seek out relevant and universal application for our lives and stand in awe of how God used this man to do extraordinary things.

Quotable: To be conscious that you are ignorant is a great step toward knowledge.

The light of [the] Word makes the way plain before him, and he is preserved from falling over the obstacles with which Satan seeks to trip him. "But if a man walk in the night, he stumbleth, because there is no light in him" (Jn 11:10).
