Thank You Notes -
 Thanks to those who prayed for my nephew, Steve Thompkins. His surgery for trigeminal neuralgia (a neuropathic disorder affecting the face, with intense pain) was a success. He had double vision and much pain in his jaw before the surgery. After the surgery he was seeing clearly and sitting up chewing ice cubes. Thanks for your prayers.
 Curt & Harriet Synder
 Thank you for your outpouring of prayers & sympathy at the Passing of Gene.

 Usually he has to learn by painful experience
 what is harmful and injurious. And, as it has been well said,
 "Experience keeps an expensive school"--her fees are high..
