Missionary Update -
Paul & Jessie Schlener, Retired: Paul has had many physical problems in his lower back as a result of the accident back in 2000 (latest letter quoted what the x-rays showed); they are still thrilled to report (& encourage us to continue to pray for) about a Ticuna Indian boy, Rober Guerreio Benedito, referenced in "Port of Two Brothers", who gained acceptance in a Christian seminary, and is ministering to the folks in his birth place in Port of Two Brothers his wife, Jandira, is teaching young people and ladies groups, they have a daughter, Mowatcha, "Princess" in the Ticuna language; Paul's second book, "When Sea Billows Roll", is available, it gives a clear testimony of his salvation.

[This] is why God gave us His Word: to make known what He justly demands of us; to inform us of those things which destroy the soul; to reveal the baits which Satan uses to capture and slay so many; to point out the highway of holiness which alone leads to heaven (Heb. 12:14); and to acquaint us with the rules which must be observed if we are to walk that highway.
